PROCEDURES

1. INITIATING A CRIMINAL INVESTIGATION

a. Any commander or the DoD IG may request that a DCIO initiate a criminal investigation. However, the DCIO Commanders are not required to, nor shall they, solicit from commanders or any other authority outside the DCIO authorizations to initiate investigations. This does not prevent DCIOs from discussing the initiation of a criminal investigation with commanders. In each case, the decision to initiate a criminal investigation remains solely with the DCIO.

b. When a commander not assigned to the DCIO objects to the initiation of a criminal investigation for any reason, that commander shall report the circumstances immediately through their chain of command to the Secretary of the Military Department concerned or the DoD IG. Intermediate commanders may resolve those matters that were the basis for the objection and, thereby, negate the need to notify the Secretary of the Military Department or the DoD IG.

2. DELAYING, SUSPENDING, OR TERMINATING A CRIMINAL INVESTIGATION

a. Only the Secretary of a Military Department may direct a Military Criminal Investigative Organization (MCIO) to delay, suspend, or terminate an ongoing investigation other than an investigation being conducted at the request of the DoD IG.

b. Only the DoD IG may direct an MCIO to delay, suspend, or terminate an ongoing investigation being conducted at the direction of the DoD IG. Only the DoD IG may direct the Defense Criminal Investigative Service (DCIS) to delay, suspend, or terminate an ongoing investigation.

(1) When there is a request to delay, suspend, or terminate an ongoing investigation initiated by an MCIO, the Secretary of the Military Department concerned shall decide promptly whether the investigation shall be discontinued. No investigation shall be delayed or suspended while this process is ongoing, except by decision of the Secretary of the Military Department concerned. The Secretaries of the Military Departments shall promptly report to the DoD IG the facts in all cases brought to them for resolution and their decision in each instance.

(2) When a request to delay, suspend, or terminate an ongoing investigation initiated by DCIS is raised to the Secretary of a Military Department, that request shall promptly be referred to the DoD IG. The DoD IG shall make a prompt decision on those matters and inform the Secretary of the Military Department concerned.

(3) When there is a request to delay, suspend, or terminate an ongoing investigation initiated by a DCIO at the direction of the DoD IG, the Secretary of the Military Department

concerned shall promptly refer that request to the DoD IG. The DoD IG shall make a prompt decision on those matters and inform the Secretary of the Military Department concerned.

3. IMPEDING A CRIMINAL INVESTIGATION

a. Commanders shall not impede an investigation or the use of investigative techniques that a DCIO considers necessary and that are permissible in accordance with law or regulation. DCIO Commanders shall promptly report through their chain of command to the Secretary of the Military Department concerned or the DoD IG the facts in all situations where attempts are made to impede an investigation or the use of investigative techniques.

b. When attempts are made to impede an investigation or the use of investigative techniques by a DCIO:

(1) And the investigation has been initiated by a DCIO, the Secretary of the Military Department concerned shall promptly resolve those situations and provide the DoD IG with a copy of the report and the resolution of all such cases brought to the Secretary of the Military Department concerned.

(2) And the investigation has been initiated by or at the direction of the DoD IG, the Secretary of the Military Department concerned shall promptly provide a copy of the report to the DoD IG.

(3) The DoD IG and the Secretary of the Military Department concerned shall resolve those matters.

4. SEXUAL MISCONDUCT INVESTIGATIONS. In accordance with DoDI 5505.8 (Reference (f)) an investigation into adult private consensual sexual misconduct may be initiated by an MCIO without a request from the Service member's commander only upon the determination of the Commander or Director of the DCIO or Principal Deputy that there is credible information of adult private consensual sexual misconduct and that such an investigation is an appropriate use of investigative resources.

5. SENIOR OFFICIAL INVESTIGATIONS. In accordance with DoDD 5505.06 (Reference (g)), allegations of misconduct against senior officials shall be promptly reported to the DoD IG at the time such allegations are received by another DoD Component. Except in unusual circumstances, the DoD IG shall promptly notify the Head of the appropriate DoD Component or Components when an allegation is received. Allegations of criminal misconduct against senior officials shall be investigated by the appropriate DCIO.

6. RESOURCES. DCIO requests for resources, personnel, or facilities not under the DCIO's command or control, which the DCIO needs to accomplish its mission, shall be coordinated

through normal command and resource processes for approval of the commander having responsibility for the requested resources.
